

Directory Use Policy

Adopted: October, 2015

Email addresses and cell numbers published in the directory are NOT to be used for commercial purposes ever, but merely to facilitate neighbor to neighbor communication. Broadcast use of addresses, emails or cell phone numbers for commercial use, items for sale, political or fund-raising purposes is NOT PERMITTED.

Please understand, email addresses and cell numbers do change. If you have a new email or cell number, let us know for the next issue of the directory.

This message is printed in the front of the directory.
